EDINA

The Study Management System EDINA of Klaipedos Valstybine kolegija (KK SVS) is a computerized system enabling the management of the study process at Klaipedos valstybine kolegija (KVK). It facilitates the following functions:

• Admission of students;
• Creation of subject assessment sheets and semester evaluation records for all students in the system;
• Allowing instructors to enter interim and final grades into the assessment sheets;
• Creation of semester and overall study grade summaries for student academic groups;
• Preparation of diploma and diploma supplement drafts, and printing diplomas and supplements through the system.

The KVK SVS enables students to:

• View their semester grades;
• See their completed subjects (including those credited from external institutions, whether from Lithuania or abroad);
• Check their study requirements and fulfillment;
• Access personal information uploaded to the KVK SVS;
• Find information about the subjects of study programs offered by KVK.

These features can be accessed by students through the KVK SVS student self-service portal.

> **For questions, contact:** via email at edina@kvk.lt or by phone at +370 (630) 07718.

How to log in?

> The system requires a separate login, which is provided to each student by the Study and Career Center. If you haven't received or have forgotten your login credentials, or encounter other issues with EDINA, please use the contact information provided above.
