**The Employee Intranet **is a portal designed for:

- Posting and providing access to **important and relevant department information (announcements, changes, etc.)**, such as the need to submit documents by a specified date, fill out surveys, participate in various initiatives, and more.
- Displaying **all upcoming events** at KVK that are intended for students or employees: events, conferences, virtual meetings, etc.
- Storing links to the institution's systems in one place.
