

# General Information

IMPORTANT! No login is required to access the Wiki. All Wiki pages are open access. You can navigate the site through the content at the bottom of the window or via the menu on the left side of the screen.

In this Wiki, you will find information, instructions, usage guidelines, and other IT documentation related to the systems and electronic services used at Klaipėdos valstybinė kolegija.

If you have any questions or feedback, you can contact the system administrator via email at [itcentras@kvk.lt](mailto:itcentras@kvk.lt).

The Wiki is maintained by the Information Technology Center.

The EcoCost, DBSIS, and old DVS systems are accessible only through the VPN service.

## Table of Contents

- [Administrative systems](#)
  - [DBSIS](#)
